Sir:

Pursuant to their duty of disclosure under 37 C.F.R. §1.56, applicants hereby bring to the examiner's attention patents and publications that may be material to the examination of the above-identified application. In compliance with 37 C.F.R. §1.97 and §1.98, applicants enclose a completed Form PTO-1449 listing the possibly pertinent patents and publications.

Applicants provide, by way of this paper, a statement that each of the enclosed documents was brought to the applicants' attention in connection with a foreign application corresponding to this application less than three months prior to the filing (mailing) date of this paper. Furthermore, this paper is being filed before the mailing date of a final action or a notice of allowance in this case. As a result, no fee is believed to be due for consideration of this art and information pursuant to 37 C.F.R. § 1.97(c)(1). However, if any additional fee is required for the consideration of this information, the Commissioner is hereby authorized to charge such fee to Deposit Account No. 13-2855. A copy of this paper is enclosed herewith.

Each item of information contained in this information disclosure statement and Form PTO-1449 was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the above-identified mailing date of this

Supplemental Information Disclosure Statement

Respectfully submitted,

By:
